Major provisions of the Vote By Mail bill SB1863, for all Illinois election authorities

- As of June 16, registered voters may apply for a ballot online or by mail, email or in person.
- As of June 16, new or change of address registrants will be able to apply for a mail-in ballot at time of registration.
- No later than August 1, election authorities shall send ballot applications to anyone who voted in the 2018 general, 2019 consolidated, or 2020 primary elections and/or who registered to vote after March 17, 2020.
- September 24 - October 29, election authorities shall send ballots to applicants.
- Ballots must be completed and returned/mailed no later than election day, November 3.
- All ballots shall be accepted by the election authority even those with insufficient or no postage.
- An election authority may establish secure collection sites for the postage-free return of ballots.
- Election authorities shall establish a 3 member election judge panel to process mail-in ballots.
- No ballot will be rejected without all 3 judges being in agreement.
- Reasons for ballot rejection: (1) the certification envelope contains no signature; OR the signature on the certification envelope and the signature used by the election authority for verification purposes do not match, (2) the ballot envelope was delivered opened; (3) the voter has already cast a ballot; (4) the voter voted in person on election day; or (5) the voter is not a duly registered voter in the precinct.
- An election authority will inform the voter within 2 days of rejection and allow the voter to confirm that it is their ballot or complete their vote in person or by mail.
- November 3 is a state holiday. Closed schools may be used by election authorities as polling places on that day.
- Beginning no later than October 19, all early voting locations will remain open during the hours of 8:30 a.m. to 7:00 p.m. on weekdays and 9:00 a.m. to 5:00 p.m. on Saturdays, Sundays, and holidays.
- An election authority may establish curbside voting during early voting and on election day.
- A provisional ballot will be counted as a vote if the voter provides the election authority with the necessary documentation within 14 days of election day.
- Election authorities will open one location where all voters in their jurisdiction may vote on election day during polling place hours, regardless of the precinct in which they are registered.
- Election authorities may recruit election workers aged 16 and older.
- Those receiving unemployment payments may be paid as election workers without penalty.
- Each polling site must comply with Illinois Department of Public Health safety and health practices.
- Election authorities may apply for reimbursement for funds incurred by implementing this bill.
- This bill will be repealed on January 1, 2021.
