NOTES

The slate of candidates for officers and directors satisfies our Bylaws requirements. However, additional members of the 2023-2025 Nominating Committee are needed and additional candidates for officer/director are under consideration but could not be confirmed at this time. The 2021-2023 Nominating Committee will nominate people from the floor during Convention as necessary.

The shift in commitments related to work and family that first emerged during the pandemic seems to have resulted in fewer people willing to commit to new leadership roles at this time. This may continue to create challenges for LWVIL leadership.
